

TAKE ME BACK

[4 veus. Baix=Soprà]

[Chorus]

Take me back
Take me back Dear Lord
To the place
Where I first received you.
Take me back,
Take me back Dear Lord
Where I, first believed.

[Sólo]

I feel that I'm so far from you Lord
But still I hear you calling me
Those simple things,
That I once knew,
Those memories are drawing me.

I must confess, Lord I've been blessed
But still my soul isn't satisfied,
Renew my strength
Restore my joy
And dry my weeping eyes.
Oh Lord...

[Chorus]

[Unisó]

I tried so hard to make it all alone

[4 veus]

I need your help
Just to make it home.
