

YOU'LL TAKE THE PAIN AWAY

You'll take the pain away, I Know. You'll take the pain away (X2)

Though you been searching for such a long time,
Searching for hope and some peace of mind,
There's a friend who will step in on time,
You'll take the pain away, you'll take the pain away

You'll take the pain away, I Know. You'll take the pain away (X2)

[SOLO] You've been searching all of here and all of there and all God can take the pain away.

And I tried him for my self, and ooooo I'm a living witness that God will take the pain away.

Though you been searching...

[PUJADA DE TO]

If any man be in Jesus, Just take the pain away.

If any man be in Jesus we knew it, You'll take the pain away (x2)
