

THE STORM IS PASSING OVER

[Chorus:]

**The storm is passing over
The storm is passing over
The storm is passing over, ha le lu jah**

Have courage my soul and let us journey on,
Though the night is dark and I am far from home;
Thanks be to God, the morning light appears

Dona'm la llum, camina al meu costat,
Vaig sentir la foscà, avui puc veure-hi clar;
Gràcies a tu, comença un nou demà.

[Chorus]

[Bridge:]

Ha le lu jah Ha le lu jah Ha le lu jah.
